**6. GENERAL**

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Share Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Share Repurchase Mandate is approved by the Shareholders.

**7. UNDERTAKING**

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to repurchase Shares pursuant to the Share Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Cayman Islands.

**8. TAKEOVERS CODE**

If as a result of a repurchase of Shares pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the

Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

To the best knowledge of the Company, as at the Latest Practicable Date, Mr. Ji Guang controlled, through his family trust and controlled corporations, the voting rights of 162,000,000 Shares representing approximately 75% of the total issued share capital of the Company. In the event that the Directors exercise the proposed Share Repurchase Mandate in full, the interest of Mr. Ji would be increased to approximately 83.33% of the issued share capital of the Company. In the opinion of the Directors, such increase would not give rise to an obligation to make a general offer under Rule 26 of the Takeovers Code but would result in the number of Shares held by the public being reduced to less than 25%.

The Directors do not propose to exercise the Share Repurchase Mandate to such an extent as would, in the circumstances, result in the aggregate number of Shares held by the public shareholders falling below the prescribed minimum percentage required by the Stock Exchange.

## **9. SHARE REPURCHASE MADE BY THE COMPANY**

During the period from the Listing Date to the Latest Practicable Date, the Company had not repurchased any of the Shares (whether on the Stock Exchange or otherwise).
